

## Frontend Developer

Prosta 70, Warsaw, Masovian Voivodeship, Poland

With nearly a thousand new businesses and entrepreneurs joining **Instapage** daily, we're the fastest-growing landing page platform online. We're on a mission to make digital advertising more relevant and meaningful for everyone. We're obsessed with simplicity and data-driven decision-making.

Our product is powerful landing page platform with advance page builder. It has integrations with today's most popular CRMs, marketing automation platforms and more. The increase of conversion rates is possible because of ours A/B tests, heat maps and matching site message by visitors source. We can also measure effectiveness of marketing campaigns with detail statistics. It is all packed in one system which enables our customers to real-time collaboration.

### As our Frontend Developer you will be responsible for:

- You will dedicate 80% of your time to CSS,HTML and 20% of your time to JS
- Implement advanced front end features for our web applications
- Designing highly responsive **Sass/HTML** components
- Page performance, making sure that **HTML** have high scores in Google Insights
- Creating **AMP (Accelerated Mobile Pages)** views
- SEO Optimization

### What We are looking for:

- Very good knowledge of Front End tools & frameworks: HTML, CSS/SASS
- Design principles OOCSS, BEM, and SMACSS

### Nice to have:

- Basic knowledge of vanilla-JS (Typescript + Angular 2 or ES6 + React)
- Basic knowledge of AMP and SEO requirements

### Your coming benefits:

- Work in a real startup from the Silicon Valley where your ideas matter and where you can have real influence on our products
- Office located in city center, near the M2 metro line
- Shared equity ownership
- Office Exchange program after one year to one of our offices (San Francisco, California or Timisoara, Romania)
- Work in an environment of transparency with lots of exposure to senior management
- Yearly conference/workshop budget
- Flexible working hours
- Social room filled with snacks, fresh fruits and table football
- Multisport card, private health insurance and group life insurance
