We are looking for Junior Consultants, who will be excited to join **Client Implementations & Support Team** aimed to provide a regional and global administration and support of Online solutions for business travel.

Main responsibilities:

Reproduce technical issues, diagnose causes, identify temporary and long-term solutions, contact with external vendors and communicate status updates to internal clients, implementation of new platform, present complex technical information to non-technical audiences.

Qualifications

Must have:

- Problem solving skills and a technological mindset.
- Good command of English, spoken and written.
- Microsoft Office (Outlook, Word, Excel, PowerPoint).

Nice to have

- Bachelor Degree in related field will be an asset, but not mandatory. We will teach you as much as we can.
- Additional languages are very welcomed: especially German, French, Spanish or Portuguese.
- It would be great if you already have experience in a Global Distribution System: Amadeus GDS, Galileo GDS, Sabre GDS.
- Online booking platforms: KDS, Concur SAP, Cytric, Amadeus E-Travel Management, TravelDoo, GetThere knowledge.

We offer

- Benefit package: quarterly bonus system, private medical care, private insurance, lunch card, sport card, travel discounts, recognition awards.
- Personal development in area of technical knowledge – Amadeus GDS, Galileo GDS, Sabre GDS, CWT applications, soft skills and processes (fully paid).
- A stable employment.
- An international working environment in a growing and highly qualified team.
- Career development opportunities.

Please note this is a talent pool. We review applications and interview candidates on a continuous basis. Following an interview, successful candidates will be placed on a reserve list and recruited as opportunities arise. Only those candidates who are selected for the next stage in the selection process will be contacted.
