

# Intern - Accenture Strategy Practice

>0041579

Strategy consulting today requires the ability to see how business, technology and operations all intersect. At **Accenture Strategy**, you will work closely with the world's top organizations and leverage Accenture's expertise in these areas to develop strategies that turn your ideas into actions. As part of the 8,000+ Accenture Strategy professionals in our global community, you'll provide actionable insights to clients, helping them address priority C-suite issues with strategies they can execute with speed and at scale. Our deep understanding of our clients' industries and our global perspective on progressive business ideas and emerging technologies enables us to drive and deliver transformational change.

Join **Accenture Strategy Practice** in **Warsaw**, part of Capability Network and help transform leading organizations and shape communities around the world.

## Key Responsibilities:

Tasks and responsibilities in the Strategy & Sustainability Group depend on specific projects but commonly include: supporting client and internal teams in data gathering and analysis; industry / market and competitors analysis; new global market trends research (e.g. impact of digital technologies on business and operating models transformation), financial analysis and development of business case / financial models. In this role, you will be exposed to a variety of industry sectors and business issues.

## Qualifications:

- Students of the 4th or 5th year and graduates from majors (top-tier business schools and universities): economics, management, finance & accounting, quantitative methods in economics and information systems, and similar
- Outstanding academic track record
- Excellent English communication skills (written & spoken), good level of the other foreign language e.g. German, Italian, French would be a strong asset
- Very good knowledge of MS Office (Word, Excel, PowerPoint)
- Knowledge of VBA will be a strong asset
- Strong analytical skills with a flair for detail
- Good communication skills
- High motivation to conduct tasks (can-do attitude)
- Excellent team work and ability to work in multinational environment
- Eagerness to learn and develop
- Availability (min. 30 hours / week)

## Our offer:

- Paid internship (3 to 6 months)
- Opportunity to gain valuable work experience in challenging, professional environment of a renowned, global consulting company
- Engagement in various projects and development of new Accenture Digital Business offering (intersection of Business, Functional and Technology Strategy)
- Truly dynamic, multicultural and international working environment
